Bemidji Area Indian Health Service Prevention Conference

March 8-10, 2016

Lake of the Torches Hotel and Conference Center
510 Old Abe Road
Lac du Flambeau, WI

Be a champion of safe, healthy communities!

This three-day conference will provide information and resources for culturally competent prevention strategies that focus on community strengths and capacities to change the culture of alcohol and drug abuse. Tribes will be given individual support to develop their Tribal Action Plan aimed at healthy living objectives and preventing alcohol, prescription drug and other drug use. Local, state, and national resources to tribes with Tribal Action Plans will be identified.

Call 715-588-7070 for lodging at the Lake of the Torches Hotel and Conference Center.

The room block is 160307MSPI. The room rate is \$83/night.
